- I understand that I am responsible for:
 - Knowing and meeting the program admission requirements. Program requirements:
 - Are listed on the (RAD, NUR, DEN) Health Program Admissions Checklist
 - Will be discussed at the (RAD, NUR, DEN) Health Program Information Session. **NEW: Students are required to attend an Information Session for their area the year prior to anticipated admission.**
 - Knowing and meeting deadlines for submitting information
 - Keeping certifications/licenses that are part of the admission requirements up-to-date during the admission process and during my program (e.g., CPR, Nurse Aide I certifications)
 - Providing Student Services Health Admissions with proof that certifications/licenses are up-to-date (for CPR, proof is a copy of your CPR card).
 - Having an official transcript (except RCCC) sent to RCCC Admissions from all schools in order for credit to be evaluated and awarded.
 - January 1, 2008 deadline for the Radiography and Nursing Programs
 - As soon as possible for the Dental Assisting Program; your qualification date will be when all admission requirements are met.
 - If RCCC has already received an official transcript with the appropriate course(s) and grades listed, you do not have to send another.
