- I understand that I am responsible for:
  - Knowing and meeting the program admission requirements. Program requirements:
    - Are listed on the Dental Assisting Program Admissions Checklist
    - Will be discussed at the Dental Assisting Program Information Session.
  - Knowing and meeting deadlines for submitting information
  - Keeping certifications/licenses that are part of the admission requirements up-to-date during the admission process and during my program (e.g., CPR).
  - Providing Student Services Health Admissions with proof that certifications/licenses are up-to-date (for CPR, proof is a copy of your CPR card).
  - Having an official transcript (except RCCC) sent to RCCC Admissions from all schools in order for credit to be evaluated and awarded.
    - As soon as possible for the Dental Assisting Program; your qualification date will be when all admission requirements are met.
    - If RCCC has already received an official transcript with the appropriate course(s) and grades listed, you do not have to send another.
