### CHINESE NEW YEAR

Chinese New Year is the longest and most important celebration in the Chinese calendar. This year, the holiday falls on January 26, 2009. It will be the year of the OX. The Ox, or the Buffalo sign, symbolizes prosperity through fortitude and hard work.

The date of the Chinese New Year is always changing and is dependent on the Chinese calendar. It is sometimes called the Lunar New Year Emperor Huangdi in the year 2637 B.C.E invented the Chinese calendar. 2008 was the Chinese year 4706.
