Roll Call

Jonathan Furnas - President - Present

Kimberly Reavis - Parliamentarian - Present

Approval of Minutes: Minutes Approved

Officer Reports

President - The President started by welcoming everyone to the 2008-2009 school year. He then explained what is required for becoming an officer or senator in the Student Government Association. He then mentioned that North Campus will be getting a new building (The 400 building) which should be operational by Fall of 2010. It will house a small gym for physical classes, a few art classrooms for the new art program, and a couple of law enforcement classrooms, along with many other things.

Parliamentarian - First off I would like to welcome everyone back, hope you all had a great summer. Also I would like to remind everyone to remember to silence your electronic devices as random ringing is disrespectful to others. There are sheets available with the basics of Parliamentary Procedure that make good reference points throughout the meeting. Also I would like to add that I will be taking Club reports at the end of the meeting so if you would please have those ready I would greatly appreciate it. Thank you.

No Unfinished Business

New Business

Designated Smoking Areas- a motion came forth for the SGA to submit a petition to the college administration to make improvements to the existing smoking areas on both campuses. Student suggestions during discussion included: covers for existing structures and additional structures / designated areas on South Campus. The motion voted on and passed.

Parade - During the club lunch and lottery held Aug. 12th, from 11:00 to 1:00 several clubs showed interest in representing Rowan-Cabarrus Community College in a parade. It was suggested that the SGA facilitate the organizing of resources in creating a student life float in the Kannapolis Christmas parade.

A motion came forth that any club interested in participating in the Kannapolis parade contribute \$50 for the purchase of supplies. Discussion ensued: This money will also allow for 2 representatives from each participating club to ride the float. A question was asked concerning

the minimum number of clubs contributing to ensure feasibility. The original motion was amended to require at least 5 individual clubs.

The chair called for a vote on the amended motion, motion passed.

The chair called for a vote on the original motion, motion passed.
