III. EXPLANATION OF FEES

Student Activity Fee

Support for the college's Student Activities program in the form of a student activity fee will be charged at \$25.00 for each of the fall and spring semesters regardless of the number of curriculum credit hours enrolled. A flat fee of \$6.00 for activity fee is charged during the Summer Term regardless of the number of curriculum credit hours enrolled. This fee is refundable only if the student completely drops all courses by the refund deadline as published in the Academic Calendar.

Technology Fee

Additional support for the purchase, operation, and repair of computers and other instructional technology, including supplies and materials that support the technology. In accordance with State Board of Community College regulations, expenditures must be instructional in nature and for the benefit of the students who pay the fee.

Students are charged a **technology fee** on a pro-rata basis each semester depending on the number of curriculum credit hours enrolled (maximum fee of \$16.00). Technology fees provide for instructional supplies, materials, computers, and other technology support. This fee may be refundable based on the number of credit hours dropped by the refund deadline as published in the Academic Calendar.

Campus Access Fee

Support for parking, security systems, student accident insurance, remote notification and public safety infrastructure, and other enhancements of access to college facilities.

Students will be charged a **campus access fee** of \$10.00 for each semester/term regardless of the number of curriculum credit hours enrolled. This fee is refundable only if the student completely drops all courses by the refund deadline as published in the Academic Calendar.

Specific Fees

Fees charged to students for items required for individual courses that are considered to be in addition to normal supplies and material the college provides for students such as tools, uniforms, insurance, and certification fees.

Allied Health, Early Childhood Education, and Cosmetology students are required to purchase **student professional liability insurance of \$13.00**. Other testing and course materials may be required – please contact Student Services for information.

IV. ADDITIONAL FEES

These fees are charged at the time of the event and/or request.

Graduation Fee (\$40.00)

Curriculum students will pay a \$40.00 fee per graduate (regardless of participation in ceremony) to offset the costs of diploma or degree production.

Retest Fee

Students choosing to retest will pay a fee to cover the actual cost of the test. The cost varies among the different tests, from a low as \$5.00 to as high as \$22.00.

Official Requests (3rd request - \$8.00)

First two transcript requests are acknowledged at no charge. The 3rd request and any thereafter will be acknowledged upon receipt of payment.
